

Bring hope into the life of a child by including a gift in your Will.

A gift to Generation Rising in your Will is your legacy that will help children living in poverty build a bright future — because someone like you cared enough to give them a gift of a Christian education.

Imagine what a child in Latin America can do for their family and community if you give them the chance to develop their God-given skills and talents.

Gifts In A Will Can Be Given Two Different Ways

1. You can give a percentage of the assets left over in your estate after you have provided for your family and loved ones. This is a gift from the residue of your estate or a “residual gift” to Generation Rising.
2. You can give a gift of a specific dollar amount to Generation Rising in your Will.
